## **Announcement for extension of work from home period**

**Date: 23-April-2020**

Equality Myanmar has been postponed all the activities from 23 March to 30 April, 2020 and all the staff have been working from home according request of government.

As we believe we can avoid separating of COVID-19 by staying at home in the case of pandemic situation has not improved enough, we extend work from home period and office will remain close until 31 May, 2020. All the physical activities are postponed.

After World Health Organization (WHO) has announced Coronavirus Disease 2019 (COVID 19) as a global pandemic, Myanmar president office released a request to people of Myanmar on 13 March, 2020.

Based on government's updated information on COVID 19, we will be updating when to continue activities.

We wish everyone safe and healthy.
